

What are Booster Clubs?

Booster Clubs are made up of parents, coaches, school teachers, and administration, local church pastors and other community leaders.

Their main objective must be to strive together to see the gospel advanced in our community by utilizing the FCA mission, staff, programs and resources.

The Fellowship of Christian Athletes is touching millions of lives ... one heart at a time. Since 1954, the Fellowship of Christian Athletes has been challenging coaches and athletes on the professional, college, high school, junior high and youth levels to use the powerful medium of athletes to impact the world for Jesus Christ. FCA is the largest Christian sports organization in America. FCA focuses on serving local communities by equipping, empowering and encouraging people to make a difference for Christ. If you are interested in being a part of the Sidney/Cheyenne County FCA or would like more information—feel free to contact us.

Perspective From Behind

The runners slipped past me one by one. When I looked behind me, I didn't see anyone left. Denial set in. I couldn't possibly be in last place, could I? It had felt like I was running right on pace!

I cranked my neck around—something our coach had told us never to do—and, in a panic, again, I saw no one. I couldn't reconcile myself to the thought of finishing in last place. No runner who competes at state their freshman year could possibly finish last at the district meet in their sophomore year.

I knew I had to make the decision whether or not to finish the race. The thought crossed my mind that if I dropped out, I wouldn't finish last, but something in my heart told me that that's not what was supposed to happen.

The home stretch appeared quicker than I wanted it to, and all I could hear was my dad's voice yelling from the finish line, "Finish like a champ!" After the race, I limped away embarrassed and angry. Little did I know the lesson God was preparing for me during that district meet.

I walked away from the race angry, but what I began to understand weeks after the anger subsided was that God works through our trials and failures in order to build our character. God tells us in [Romans 5:3-5](#) that these trials build our endurance, which then builds our character.

From that race and on, I took with me the wisdom that neither winning nor losing is what is important to God. What matters to Him is how we finish the race—both in sports and in life.
